Dear all –

Thanks for all of the work you have done over the past few months to create various graphics and slides on the MTE.

Attached is my current draft. I am sharing this now because I will be at the retreat all day, and I wanted you to see where I am, as I know Mike O. is also has a presentation for the government and industry meeting next week.

The only thing I am asking for at this point is the few slides I discussed with Kevin Bolon yesterday.

I'll have a much more polished version done on Friday morning.

Thanks  
Bill
